

LEARNING OBJECTIVES

1-16-18

DESIRED OUTCOMES

At the end of the presentation, attendees will be able to:

- define “behavioral health”.
- evaluate data on the status of behavioral health and behavioral health services in California and Southern California.
- discuss what PLCMSP has created to address the needs of behavioral health patients.
- discuss what the future holds for behavioral health services throughout Providence St. Joseph Health.
- prepare to assess cultural diversity issues in risk, incidence, prevalence, disease burden, or mortality associated with behavioral health and/or cultural disparities in access, diagnosis at more advanced stages, or less adherence to treatment regimens.
