

## **LEARNING OBJECTIVES**

**1-23-20**

### **DESIRED OUTCOMES**

At the end of the presentation, attendees will be able to:

- recognize the clinical manifestations of the various periodic fever- autoinflammatory syndromes.
- describe the genetics and mechanisms of inflammation in these disorders.
- conduct a work up to establish the diagnosis and treatment..
- prepare to assess cultural diversity issues in risk, incidence, prevalence, or disease burden, associated with periodic fever and/or cultural disparities in access to care.
