

## **LEARNING OBJECTIVES**

### **New Physician Orientation**

#### **DESIRED OUTCOMES**

**At the end of the presentation, attendees will be able to:**

- incorporate into practice the policies and procedures of the CA Region and the Professional Staff.
- model the expectations of physician behavior and comply with the Hospital/Professional Staff Zero Tolerance for Disruptive Behavior and PSJMC Code of Conduct.
- meet clinical expectations for Core Measures, glycemic control, infection prevention, and HCAHPS.
- meet expectations for HIPAA, informed consent, completion of medical records, and other Joint Commission requirements.
- prepare to assess for each planned CME activity any evidence of health disparities that have been linked to cultural or linguistically related practice gaps.
