

LEARNING OBJECTIVES

8-8-23

At the end of the presentation, attendees will be able to:

- **describe the neurophysiology of swallowing and the stages of swallowing.**
- **discuss different manifestations of post-stroke dysphagia based on location of infarct/injury.**
- **discuss different manifestations of post-neurosurgical dysphagia based on procedure or type of injury**
- **describe the role of the Speech Pathologist and services provided.**
- **incorporate considerations related to these patient populations.**
